Homeowner Evaluation

Homeowner: _____

Interviewer: _____ **Date:** _____

	YES	NO
Is the homeowner truly unable to complete needed work themselves due to age, disability or low-income?		
Does the homeowner or family members appear nervous or anxious about having the work completed or volunteers in their home?		
Does the homeowner or family members make an attempt to maintain an adequate, clean and safe home?		
Does the homeowner or family take pride in the home and try to keep it in good repair?		
Is the home safe for volunteers?		
Would the sponsor and volunteer crew feel that this is a needy and deserving homeowner and/or family?		
Will this homeowner make the experience rewarding for the volunteers? (Avoid homeowners who are looking for a handout, or to increase the market value of the home)		

The homeowner has been told about the following conditions: YES_____ NO_____

- All homeowners must be at the home all day on Rebuilding Day. They will be expected to pitch in and help the volunteers if they are physically able to do so. Any family members or friends present must also work with the volunteers (or stay away from the home between 8am and 6pm)
- The homeowners must clean the home before and during Rebuilding Day. Dishes and clothes must be cleaned and put away.
- If cars need to be towed away prior to the event, the homeowner should call the Rebuilding Together Seattle office for assistance.
- All dangerous pets are to be removed from the home. Neighbor's pets should also be considered, if possible, if they are a problem.
- The homeowner will remove or secure all valuables prior to volunteers arriving at the home.
